❤️ **10 Years of Sharing Thanks and We're Not Done Yet!**

2016–2026 | A Needy Wilmington

For ten years, A Needy Wilmington has worked alongside caring neighbors, volunteers, students, and community partners to help Banning High School students and their families during the holiday season.

What began as a small grassroots effort in 2016 has become a decade of compassion, commitment, and neighbors helping neighbors.

But ten years later, the need hasn't gone away. In many ways, it's become even greater.

This Thanksgiving, we're preparing to support 60 +/- Banning High School students and their families, including younger siblings and household members who may also be experiencing food insecurity.

Our goal goes beyond providing a traditional Thanksgiving meal. We're also collecting additional groceries to help students and families through the weeklong fall break, when regular school-provided breakfasts and lunches may not be available.

We also recognize that not every family has the same living arrangements. Some have full kitchens, while others depend on microwaves, hot plates, coolers, or limited refrigeration. Our efforts must reflect those realities.

HOW CAN YOU HELP?

 Donate nonperishable food and holiday meal essentials.

 Help provide groceries for the school break.

 Make a monetary donation to purchase missing items and necessary supplies.

 Give anonymously as an Unseen Heart, if you prefer.

 Encourage your workplace, organization, friends, or family to participate.

 Can't donate? Sharing our appeal is another meaningful way to help.

We're still a small, 100% volunteer grassroots nonprofit, doing what we can with the resources and community support available.

We're not asking one person to do everything. We're asking everyone who can to do something.

Because a Thanksgiving meal represents more than food. It represents dignity, relief, kindness, and the reassurance that someone in our community cares.

10 Years Strong. Still Serving. Still Caring. Still Needed.

Where grassroots and commitment create solutions.

 Neighbors Helping Neighbors.
