We have received your federal determination letter and Form 3500A, *Submission of Exemption Request*, and have approved your request for California Tax-exempt status.

Under California law, Revenue and Taxation Code (R&TC) Section 23701 provides that an organization is exempt from taxes imposed under Part 11 upon submission of the federal determination letter approving the organization's tax-exempt status. Generally, the effective date of an organization's California tax-exempt status is the same date as the federal tax-exempt status.

What You Need to Do

To retain tax-exempt status, the organization must be organized and operating for nonprofit purposes within the provisions of the R&TC section. An inactive organization is not entitled to tax-exempt status.

In order for us to determine any effect on the tax-exempt status, the organization must immediately report to us any change in:

- Operation
- Character
- Purpose
- Name
- Address

All California public benefit corporations must register with the California Attorney General's Office Registry of Charities and Fundraisers within 30 days of first receiving any assets.

The Attorney General regulates charities and the professional fundraisers who solicit on their behalf. The purpose of this oversight is to protect charitable assets for their intended use and ensure that the charitable donations contributed by Californians are not misapplied and squandered through fraud or other means.

Please refer to **oag.ca.gov/Charities** for further information on registry filing requirements and contact information. Also see the publication Attorney General's Guide for Charities.

This exemption is for state franchise or income tax purposes only. For information regarding sales tax exemption, contact the California Department of Tax and Fee Administration at 800.400.7115 or go to their website at **cdtfa.ca.gov**.
